11/09/17

Dear Parent/Guardian,

We are pleased to announce that, commencing this term, we will be rolling out the Aladdin ePayment system to parents/guardians of children in our school.

Our school will now be using the Aladdin software service for administrative purposes and the ePayment system will give you access from an internet browser on your computer, phone or tablet to make secure payments to the school using your credit or debit card. The purpose of the ePayment system is to facilitate the easier payment of school money collections for parent/guardians and to reduce the amount of cash and cheques being sent into our school in line with recent central bank directives. Normal debit and credit card usage costs will apply.

Aladdin uses state of the art security to safeguard information entered by you and the school and data is stored and processed in strict compliance with Irish data protection laws.

On receiving a text containing your **payment access link**, you will be brought to a parent payment page which will contain all payment details requested for your child's/family's money collection. You will require a phone with internet access or, alternatively, you can type the related link in an internet browser on a computer to make an ePayment. Once you have completed your payment, you will be issued with a reference number. Please quote this reference number in any queries you may have regarding this payment with the school. We hope that you will find the Aladdin ePayments facility useful and convenient.

Please note that all payments may still be made by forwarding the relevant cash/cheque amount to class teacher.

Yours faithfully,

Con O'Callaghan
Principal
